

Veteran Behavioral Health Stakeholder Roundtable E-mail Save the Date

Good morning –

Please save the date – Thursday, January 22, 2015, Maryland’s Commitment to Veterans, a program under DHMH’s Behavioral Health Administration, will host its first Veteran Behavioral Health Stakeholder Roundtable. The purpose of the group is to identify challenges and solutions jurisdictions have helping veterans access behavioral services either through the state, community or US VA Health Care System. The Veteran Behavioral Health Stakeholders Roundtable (VBHSR) will allow jurisdictions throughout the state the benefit of brainstorming with each other. A critical part of the discussion will focus on the coordination and delivery of behavioral health services for veterans and on how the local communities can partner with the US VA Health Care System to deliver services. Representatives from the Baltimore, DC and Martinsburg VA Medical Centers are invited to attend as well.

At this time, we would like to take to opportunity to invite a representative from your organization to be a part of the Veteran Behavioral Stakeholders Roundtable. Our first meeting will be held on January 22, 2015 10:00 a.m. – 2:00 p.m. at Spring Grove Hospital inside the Dix Building basement. Lunch will be provided.

If you or someone from your team would like to join the Veteran Behavioral Stakeholder Roundtable, please respond to Shauna Donahue at shauna.donahue@maryland.gov or 410767-5934 by January 5, 2015.
