**“Achieving Health Equity and Cost Reductions  
Through Clinical-Community Partnerships”  
Join Us for the 2019 Health Equity Conference!**

The 2019 conference will explore how the Total Cost of Care Model enables community organizations and hospitals to achieve cost savings and preventable utilization reductions. We will explore successful partnerships and models that can be replicated to achieve health equity.

AGENDA

**SHIRLEY NATHAN-PULLIAM HEALTH EQUITY LECTURE AND  
AWARD**

**AWARD RECIPIENT**

John Ruffin, PhD, NIH-National Institute on Minority Health and Health Disparities (Retired)
