1 Mile Walk for Health

Event held on Friday, April 7th. Despite lamp chilly conditions, walkers came out to get some exercise in this annual event! The top 3 finishers received a healthy fruit basket.

MHHD Open House

Event was held on Monday, April 3rd. DHMH Employees came to hear about the many health equity projects the MHHD team is engaged in. Each staff member provided a health equity take-away to visitors.

Minority Outreach and Technical

MOTA partners hosted and participated in many events throughout the month of April, in celebration of National Minority Health Month.
