

MARYLAND DEPARTMENT OF HEALTH

## Office of Minority Health and Health Disparities

Eastern Shore & Southern Maryland Minority Community-  
Based Organization Summit:

### *Strengthening Leadership Skills and Building Capacity*

**Tuesday, April 30**

9 a.m. to 2 p.m.

**Hyatt Regency, 100**

Heron Blvd., Cambridge,  
Maryland, 21613

**Summit Purpose:** To identify leadership and capacity building training needs among minority community-based organizations serving jurisdictions in southern and on the eastern shore of Maryland to improve workforce development, community development, and outreach to minority communities.

**Target Audience:** Minority community-based organization leaders located in southern and on the eastern shore of Maryland. Current Minority Outreach and Technical Assistance (MOTA) grantees.

**The Summit is by invitation only and registration is required.**

**Register here** or email [MDH.HealthDisparities@Maryland.gov](mailto:MDH.HealthDisparities@Maryland.gov) by April 1, 2019.

**Attend this Summit to:**

- Understand the need and provide tools for building effective community-based organizations
- Strengthen skills such as data collection and analysis; strategic planning and grant opportunities for community-based organizations in Maryland
- Learn from community-based organizations in Maryland that have received state funding to implement programs that reduce health disparities
- Expand the leadership network for improving minority health outcomes

**Questions and more information:** Email [MDH.HealthDisparities@Maryland.gov](mailto:MDH.HealthDisparities@Maryland.gov)

or call 410-767-7117.
