Subgroup Charge: This group will examine the technical, administrative, financial, and legal issues that would arise if a multi-payer demonstration is established in the State.

The subgroup will focus on the following tasks. The April 16th memo will serve as the starting point for discussion around these tasks.

1) Introduction

2) Overview of Maryland practices
   Ben Steffen -- Circumstances, existing funding sources, technical and infrastructure support

3) Practice Transformation Challenges – Experience from the field
   TransforMED

4) Challenges for Payers in launching a demonstration
   Payer representatives

5) Subgroup discussion – What are critical successes factors for practices and payers?
