Larry Hogan, Governor · Boyd K. Rutherford, Lt. Governor · Dennis R. Schrader, Secretary

Brain Injury Waiver (BI): For dates of service beginning July 1, 2022 through September 30, 2022, the Maryland Medical Assistance reimbursement rates for Brain Injury Waiver services will increase by 11.25% (\$379,520.25). Effective October 1, 2022, the rate increase will be 7.25% applied to the rates in place effective November 1, 2021 as referenced in [Provider Transmittal 18-22 \(Waiver for Adults with Brain Injury Transmittal No. 6\)](#) for the remaining three quarters (\$1,093,081.56) of Fiscal Year 2023 (October 1, 2022 through June 30, 2023). This represents an estimated \$1,472,538.81 increase in total funds for the program (43.8% general funds \$644,972.00; 56.2 percent federal funds \$827,566.81).
