Professional Services Fee Schedule January 2018

Maryland Medical Assistance

Professional Services Fee Schedule – January 2018

Overview

Introduction This Fee Schedule includes the current CPT codes and their maximum reimbursement that the Physicians' Services program pays for each procedure. To clarify and assist providers in using and navigating this Fee Schedule, it also contains information on the limitations on its use, abbreviations in the schedule, and electronic format information. All rates are based upon the Medicare Part-B Fee Schedule.

In This Chapter This chapter contains:

TOPIC	PAGE
Limitations of the Fee Schedule	FS-2
Abbreviations Used in the Fee Schedule	FS-3
Electronic Formats	FS-5
Special Note	FS-5
Fee Schedule	FS-7
HCPCS Level II Fee Schedule	FS-98

Limitations of the Fee Schedule All reimbursement rates and additional documentation requirements only apply to professional services when recipients have coverage under fee-for-service. Recipients with Managed Care Organization (MCO) coverage through the HealthChoice program may have different requirements.

This fee schedule **does not** contain reimbursement rates for all of the HCPCS Level-II codes (beginning with Alpha characters A through W) outside of the injectables that pertain to professional services, digital mammography codes (G0202, G0204, and G0206) and other replacement codes (G0453 and G0455).

J- codes are now published in this fee schedule. **All** providers must bill J-codes at their **exact acquisition costs, NOT** usual and customary charges or average wholesale price (AWP).

There are separate fee schedules for Durable Medical Equipment (DME), Durable Medical Supplies (DMS), and Oxygen providers, as well as laboratory and pathology codes in the 80000 series.

Limitations (cont.) These schedules are available online at:

<https://mmcp.health.maryland.gov/Pages/Provider-Information.aspx>.

This fee schedule does not contain any CPT Category II (Performance Measurement) or CPT Category III (Emerging Technology & Procedures) codes. The Program does not reimburse providers for these procedures.

Abbreviations Used in the Fee Schedule

The following abbreviations are used in the fee schedule:

Abbreviation	Details
NFAC	Non-Facility Fee. The Non-Facility Fee is the fee schedule amount for services rendered in an office, home, or school setting. For many procedures, the Non-Facility and Facility rates are identical. Certain procedures may have higher non-facility rates compared to facility rates to accommodate overhead and indirect expenses providers incur by operating their own facility.
FAC	Facility Fee. The Facility Fee is the fee schedule amount for services rendered in a hospital (inpatient or outpatient), psychiatric hospital (inpatient or outpatient), nursing facility or skilled nursing facility.

Abbreviations (cont.)

26	Modifier 26. The Modifier -26 Fee is the amount for only the professional component of a procedure, where applicable.
TC	Modifier TC. The Modifier -TC Fee is the amount for only the technical component of a procedure, where applicable.
NOTE	The NOTE column is used to designate whether a code requires additional documentation, and may contain one of four abbreviations, listed below. The documentation for each of these forms may be found at: https://mmcp.health.maryland.gov/Pages/Provider-Information.aspx .
A	Abortion Form Required. Certain services require the Certification for Abortion Form (DHMH 521) to be completed and kept in the patient's Medical Record.
H	Hysterectomy Form Required. Certain services require the Document for Hysterectomy Form (DHMH 2990) to be completed and kept in the patient's Medical Record.
S	Sterilization Form Required. Certain services require the Sterilization Consent Form (DHMH 2989) to be completed and kept in the patient's Medical Record.
P	Prior Authorization Required. Certain services require prior authorization. Requests for preauthorization are made in writing and must document that the services are medically necessary.
INVOICE / REPORT	Rates with INVOICE / REPORT require additional documentation in order to be

	priced. Documentation may include (but is not limited to) medical notes, surgery notes, or invoices from a manufacturer or wholesaler.
N.C.	Rates with N.C. are considered non-covered services by the Program
N/A	Rates with N/A are not considered an appropriate service for the designated Place of Service.

Electronic Formats The fee schedule is available in both PDF and Excel (.xls) versions for your convenience. The reimbursement rates between these two versions should be identical; if there are discrepancies, please use the PDF version as the official rate.

To conveniently locate a specific code, please use the “Find” search functions on your computer (On Windows: **CTRL + F**. On Mac: **CMD + F**).

Special Note Please use G0453 in place of 95941, and G0455 in place of 44705. The rates for both of these replacement codes in this Fee Schedule.

Unlisted/Unclassified procedure codes are listed in this Fee Schedule; however, these codes must be manually priced. Therefore, all claims using an unlisted/unclassified code must include legible surgical notes or other medical record documentation to enable a medical reviewer to arrive at a value for the procedure and to determine whether the service will be covered by the Program.

When billing for unlisted procedures, include:

- A description of the service provided as well the **FS-5**

reason the procedure was medically necessary;

- A comparable CPT code;
- If there is a third party payor (Medicare, CareFirst, etc.), the explanation of Benefits (EOB) from Medicare or third party payer must be attached; and
- In some cases additional information may be required.

Failure to provide the aforementioned information may result in a denial of the claim.
