

Wes Moore, Governor · Aruna Miller, Lt. Governor · Laura Herrera Scott, M.D., M.P.H., Secretary

April 5, 2023

To better serve Maryland Medicaid providers, we've been working on some changes to our website. After 3 p.m. on April 14th, you may notice:

- We reorganized. Our content now appears in categories that better reflect the way users find what they need.
- URLs changed. Please update your bookmarks, as well as any links to MDH webpages you may have on websites or other materials, e.g. health.maryland.gov/providerinfo will now be health.maryland.gov/mmcp/provider.
- Our site will reindex immediately. As you get used to the new organization and URLs, you can use the search function on our site to find what you need quickly. However, if using a search engine like Google, it will take longer to reindex and therefore not as useful initially.

We appreciate your patience during this transition.

Look for these information categories on the new landing page:

- Enrollment
- Provider Transmittals
- Fee-for-service Billing
- Provider Verification System (PVS)
- Electronic Visit System (EVS)
- Provider Compliance
- Ordering, Referring, and Prescribing (ORP) Providers
- Telehealth
- Provider Type Specific Information
- Presumptive Eligibility
