

SECTION 800 – Attachment B
Medical Assistance Program - Resource Exclusion Table

This alphabetic Resource Exclusion Table is provided as a reference guide, and does not include all policy details applicable to a particular resource type. Additional rules for resources are found in COMAR 10.09.24.08 or in Section 800 of the Medical Assistance (MA) Eligibility Manual. **Please refer to the appropriate resource procedures in the MA Eligibility Manual for complete instructions when determining eligibility.**
