Re: Transfer of X02 cases to DHMH

Note: Please ensure that appropriate staff members in your organization are informed of the contents of this memorandum.

On May 5, 2016, Telligen began submitting completed X02 cases to the Department with decisions for authorization. **LHDs and LDSS should continue to fax all information regarding X02s to Telligen.** DHMH will work to process these cases as quickly as possible and generate eligibility letters to be sent out to the appropriate entities.

The Department appreciates your patience during this interim process. X02 requests should be faxed to 1-888-297-4276 or, if the record is too large to fax, mail to:

Telligen, Inc.
6518 Meadowridge Road, Suite 114
Elkridge, MD 21075
ATTN: Medicaid Medical Records

Please do not resend previously submitted requests.
