

Maryland Medicaid EHR Incentive Program: eCQM Reporting

In this user guide, you will find information about eCQM reporting requirements and processes for the Maryland Medicaid EHR Incentive Program. eCQM reporting for the EHR Incentive Program is available via the CRISP Unified Landing Page (ULP).

General Information

Eligible Professionals (EPs) are required to submit eCQMs via CRISP for annual reporting. EPs must report six (6) eCQMs relevant to their scope of practice out of forty-seven (47) available eCQMs. Please reference the full list here: https://ecqi.healthit.gov/ep-ec?qt-tabs_ep=1

In addition to submitting eCQMs to CRISP, EPs must also attest to their submission in eMIPP by selecting the checkbox in the “MU-Clinical Quality Measures Set” tab of the Meaningful Use section. See below relevant dates to submitting eCQMs for the EHR Incentive Program:

Measurement Period: Any 90-day period between 1/1/2020– 12/15/2020
Reporting can begin: 12/15/2020

User Credentialing

Any user that needs access to the CRISP Unified Landing Page should send an email to support@crisphealth.org. Users that want to manually input data should request access to the “2020 eCQMs” tab and users that want to upload Quality Reporting Data Architecture (QRDA) III files should request access to the CALIPR tab. Please read through the details of each reporting process in this guide to determine which program is most appropriate for your data submission.

Submitting eCQMs via CALiPR

EPs may submit eCQMs by submitting a QRDA III file that has been exported from the electronic medical record (EMR) or by manually entering numbers for calculation of measures. Follow the steps below to submit your eCQM data via QRDA III submission.

QRDA III Submission

1. Log into the CRISP Unified Landing Page by visiting ulp.crisphealth.org.

The screenshot shows the CRISP Unified Landing Page Sign In form. It includes the CRISP logo, a 'Unified Landing Page' label, and a 'Sign In' button. The form fields are: Email Address (with the example 'sheena.patel@crisphealth.org'), Password, and a 'Sign In' button. There is also a 'Forgot Password' link.

2. Once logged in, click the CALiPR tab

The screenshot shows the CRISP Unified Landing Page Patient Search form. It includes the CRISP logo, a 'Unified Landing Page' label, and a navigation menu with tabs: HOME, CALiPR, PATIENT SNAPSHOT, PROMPT, HEALTH RECORDS, EMERGENT IMAGING, PDMP, and IMAGING-WORKLIST. The Patient Search form has fields for Last Name (required), First Name (required), Date of Birth (required) with MM, DD, and YYYY sub-fields, Gender (Male/Female), and SSN. There is a 'PATIENT SEARCH' button and a 'Usage Terms and Conditions' section below.

3. Click "Import Data"
4. Click "Choose file" and select your QRDA III file
5. Click "Upload Document"
6. Upon successful submission, the user will receive an email confirmation from CALiPR

TIPS for Successful QRDA III submission:

- Make sure the file is a QRDA III file (clinical quality measure summary data) and NOT a QRDA I file (individual patient data).
- If submitting more than one QRDA III file at a time, do not batch upload more than 10 files at a time.
- If the submission fails or times out, try loading the files individually or batching in smaller groups (e.g., 3-5 files at a time).

CRISP

Manual Entry

1. Log into the CRISP Unified Landing Page by visiting ulp.crisphealth.org.

The screenshot shows the CRISP Unified Landing Page sign-in interface. At the top left is the CRISP logo and 'Unified Landing Page' text. On the right, there are links for 'User Guide' and 'SIGN IN'. Below the header is a 'Sign In' section with an 'Email Address' field containing 'sheena.patel@crisphealth.org' and a 'Password' field with masked characters. A blue 'Sign In' button is positioned below the password field, and a 'Forgot Password' link is located at the bottom left of the sign-in area.

2. Once logged in, click the 2020 eQMs tab

The screenshot displays the navigation menu of the CRISP Unified Landing Page. The menu includes 'HOME', 'HEALTH RECORDS', and '2020 ECQMS' (highlighted in orange). On the right side, there are links for 'User Guide' and 'HELP'. Below the navigation bar, the text 'eQm Form' is visible. The main content area features a large 'Welcome' heading, the instruction 'Select a program to submit your measures.', and two buttons: 'MDPCP' and 'Medicaid'.

3. Select "Medicaid" tab and then click "New."

The screenshot shows the 'My Submissions: Medicaid' page. The navigation bar at the top includes 'HOME', 'HEALTH RECORDS', and '2020 ECQMS' (highlighted in orange). Below the navigation bar, the text 'eQm Form' is visible. The main content area features a large heading 'My Submissions: Medicaid' and a 'New' button. Below the heading, there is a link: 'For a printable version of this table click [here](#).'

4. Type the NPI of the provider you wish to enter data for and then confirm the details shown, if correct. If not, re-enter the NPI.

eCQM Form

Medicaid eCQM Submission

Enter a 10-digit NPI below to get started.

eCQM Form

Medicaid eCQM Submission

Provider Details

NPI 2222222222
First Name TEST_DC
Last Name TWO

Please confirm you have the correct provider before proceeding.

If any details look incorrect, but this is the correct provider, please send corrections to support@crisphealth.org.

5. Enter the measurement period and note the instructions for data entry. Scroll through the measures on this page and select at least 6, following the criteria outlined in the instructions. You will not be able to select "Continue" at the bottom of the page unless you have selected a 90-day time period and selected at least 6 appropriate measures.

Measures

The 2020 Physician Fee Schedule (PFS) [Final Rule](#) established that in 2020:

- All Medicaid eligible professionals (EPs) must report on a 90-day eCQM reporting period
- EPs are required to report on any six eCQMs related to their scope of practice
- Medicaid EPs are required to report on at least one outcome measure
- If no outcome measures are relevant to that EP, they must report on at least one other high-priority measure
- If there are no outcome or high priority measures relevant to an EP's scope of practice, they must report on any six relevant measures

Per the requirements above, enter the start date of your 90-day reporting period and select at least six measures below. Then, click the "Continue" button at the bottom to proceed with reporting.

Reporting Period Start Date

Select a date between 01/01/2020 and 10/02/2020.

- Choose one measure at a time to enter data. Please note, some measures may have multiple population data sets – all must be completed.
- Enter relevant data for initial population, numerator, denominator, and any exclusions.
- Once data has been entered on all the measures you’ve selected, hit “Submit.” If the Submission does not go through, please review each measure for the following logic and correct any errors before trying to submit again.

Submit

Keep the following in mind while reporting each measure:

- The denominator should be equal to the initial patient population
- The numerator should not exceed the denominator
- Denominator exceptions should not exceed the denominator

- After hitting submit, you will be taken to a review page. Please carefully review your submission, and if correct, please check the “I attest” button and click submit.

Review your submission

NPI	Provider Last Name	CMS Measure ID	Numerator	Denominator	Denom. Exclusions	Initial Patient Pop.	Period Start Date	Period End Date
2222222222	TWO	CMS122v8	5	5	0	5	2020-10-02	2020-12-31
2222222222	TWO	CMS159v8	5	5	0	5	2020-10-02	2020-12-31
2222222222	TWO	CMS165v8	5	5	0	5	2020-10-02	2020-12-31
2222222222	TWO	CMS90v9	5	5	0	5	2020-10-02	2020-12-31
2222222222	TWO	CMS125v8	5	5	0	5	2020-10-02	2020-12-31
2222222222	TWO	CMS127v8	5	5	0	5	2020-10-02	2020-12-31

I attest that the information I am submitting is true and accurate.
