**Important Reminder!**

As of October 1, 2015, the CFC and MAPC programs will change to an agency-only model. The programs will no longer pay independent providers for services.

These changes affect you.

You must choose an agency provider by **September 1, 2015**. You may keep your current provider if he or she chooses to work for the agency you pick.

If you do not choose an agency by September 1, 2015, you may lose services.

**Our records show that you have not yet chosen an agency. You must choose an agency immediately in order to prevent the loss of your services.**

Please contact your supports planner right away to change your provider.

If you do not know your supports planner, call Kourtney Jeffers at 410-767-6772.
