Re: 2017 Nursing Home Pay-for-Improvement Scores – Award Revisions

The purpose of this memorandum is to provide nursing facilities that qualify for Pay-For-Improvement with a revised award amount.

During the 30-day review period for Pay-For-Performance scores, the Department was notified that there was an error in the original file. One facility's improvement scores have been added. Each facility receiving an improvement award is affected and their award has been changed to reflect the change. Please see the attached revised scoresheet.

Awards are being processed and facilities should expect payment mid-December.

Any questions about the changes may be directed to Eric Saber at 410-767-1458 or by e-mail (preferred) to eric.saber@maryland.gov.
