

Maryland Medicaid Administration

Community Personal Assistance Services Program

The Community Personal Assistance Services Program is a state plan home and community-based services benefit. It helps you get services and support in your home and community instead of in an institution.

The Maryland Department of Health Medicaid Administration runs this program.

Am I eligible for the Community Personal Assistance Services Program?

You must meet all the medical, technical and financial rules to be eligible for this program.

- **Medical Eligibility Rules:**
 - Must need help with at least one activity of daily living.
- **Technical Eligibility Rules:**
 - No age limit.
 - Must live in a community setting.
- **Financial Eligibility Rules:**
 - Must already have full Medicaid.

What services does the Community Personal Assistance Services Program provide?

You get all Medicaid covered services and benefits. You also may get program services that include:

- Nurse monitoring
- Personal assistance services
- Supports planning
