Welcome to the e PREP provider portal page!

1. New providers/ groups enrolling with Maryland Medicaid for the first time will need to create a user profile. In order to begin this process, please click the “Sign Up” hyperlink shown below:

2. On this page, you will enter your personal information (first and last name), create a username, password and fill in all corresponding information followed by selecting the “Next” button when completed.
3. In an attempt to increase security measures within the portal, please determine how you would like to receive your authentication code - once you have made your selection, please click ‘Next’.

4. Please enter your 6 digit authentication code and click “Verify”.
5. Once you have successfully entered and verified your security code, users will need to login for the first time with your username (email address) and password. Both of which were entered and created in the steps above.
6. Once you have entered your credentials, you will be asked to create your business profile. In order to do this, you must first enter and verify your NPI number.

Let's Create Your Business Profile

Now that you have a User Profile, you will need to set up a new Business Profile or join an existing one. Start by entering your NPI or Provider ID.

Enter NPI or Provider ID

Required value

 Verify NPI/Provider ID

☐ I’m new to Maryland Medicaid and I do not have an NPI or Provider ID

7. Once you have entered and verified your NPI, the provider ID box will turn green and you will be able to enter the provider / group name you are attempting to enroll.

**This is the name that will be listed on your provider business profile.**
8. Security questions portion: please select and correctly answer three corresponding security questions as they pertain to you. Once you have completed this portion, you will be able to continue moving forward through the business profile creation process by selecting “Next”.

**It’s important to note that sometimes these security questions are bypassed and are able to be completed later in the enrollment process**

9. Once your business profile has been created, you will be taken to the e PREP home page
10. From here, please click the “My Applications” tab / or building with the “My Applications” heading attached shown above.

11. Once you have successfully entered the “My Applications” tab, you will need to create a new application in order to enroll your provider type with Maryland Medicaid. **Circled in the screenshot below.**
12. Application generation: one you have clicked the “New Application” tab, the following selection will need to take place in order to generate your enrollment application.

13. **Application Generation Selection**: please make the selections listed below:

- I'm new to Maryland Medicaid, and I want to create a new application
- I'm an Individual health care practitioner

Once you have entered your NPI, please click the “verify” option. Once the NPI has been verified, the NPI box will turn green and you will be able to successfully continue through the application generation process.
● **Provider type** - in the drop down box menu, please select the provider type **Doula** and click continue.

14. Successful Application Generation - Once you have generated the application, you will be able to complete each required section from start to submission.
15. As you navigate the application, this side bar will indicate your progress. A fully shaded circle denotes a finished section, while a half shaded circle signifies an incomplete section. Example shown below:
