

MARYLAND MEDICAID PHARMACY PROGRAM

No. 127
December 20, 2012

ADVISORY

*In an effort to give timely notice to the pharmacy community concerning important pharmacy topics, the Department of Health and Mental Hygiene's (DHMH) **Maryland Medicaid Pharmacy Program (MMPP)** has developed the **Maryland Medicaid Pharmacy Program Advisory**. To expedite information timely to the pharmacy and prescriber communities, an email network has been established which incorporates the email lists of the Maryland Pharmacists Association, EPIC, CARE, Long Term Care Consultants, headquarters of all chain drugstores and prescriber associations and organizations. It is our hope that the information is disseminated to all interested parties. If you have not received this email through any of the previously noted parties or via DHMH, please contact the MMPP representative at 410-767-1455.*

Drug Coverage Changes for Full Duals

Please note that beginning 01/01/2013, drug coverage for Benzodiazepines and Barbiturates for those patients that are both Medicaid and Medicare eligible, will be provided by Medicare Part D Prescription Drug Plans and not the Maryland Medicaid Pharmacy Program.

This change may cause patient co-payments to vary.
