Brand Bethkis® is Preferred on the Maryland Medicaid Preferred Drug List (PDL)

The Office of Pharmacy Services (OPS) wants to alert you that effective Wednesday, December 2, 2020, brand Bethkis® Inhalation Solution will be preferred over its generic equivalent (tobramycin inhalation solution). Claims for brand Bethkis® must be submitted with DAW 6 code and will be priced appropriately. A Maryland Department of Health (MDH) MedWatch form will not be required. Claims with any other DAW code will reject.

If any problems are encountered during the online claim adjudication, contact Conduent 24-hour Help Desk at 800-932-3918 for additional system overrides related to the use of the correct DAW code (for example, if there is other primary insurance).
