Pharmacy Provider Guidance on COVID-19 Vaccines Administration

The Office of Pharmacy Services (OPS) will reimburse the Pharmacy Providers who administer one of the FDA approved COVID-19 vaccines for Fee- For- Service (FFS) participants. The OPS will reimburse pharmacy providers an incentive fee of $22.81 for both the first and second dose when claims are adjudicated via pharmacy Point-of-Sale (POS) system. The incentive fee amount will be the same regardless of which FDA approved COVID-19 vaccine is administered and the number of doses required for the vaccination.

More details on the COVID-19 vaccine payer sheet is available under Payer Specific Information at: http://www.mdrxprograms.com/ooep.html#PI
