

Maryland Medicaid Pharmacy Program • Clinical Pharmacy Services Division

Tamper Resistant Prescriptions

Provider Compliance Referral Form

Effective October 1, 2008, federal law requires that all written, non-electronic outpatient Medicaid prescriptions be tamper-resistant. This form is designed to assist the Program in coordinating educational efforts for noncompliant providers in conjunction with provider associations. Questions about this form or its use should be directed to the Maryland Medicaid Pharmacy Program at 410-767-1455.

Fill in the information and fax to: 410-333-5398. Submitting Pharmacy should provide the following information for non-compliant prescribers (* denotes required information):

Prescriber name * _____

NPI number * _____ Phone # with area code _____

Address _____

Prescriber name * _____

NPI number * _____ Phone # with area code _____
