Small Rural Pharmacy Grants Program FY22: Increasing Professional Dispensing Fees and Reimbursement Rates Between Small Rural Pharmacies and MCOs to Prevent Pharmacy Closures and Subsequent Barriers to Access to Prescription Treatments

Request for Applications

Overview
The Small Rural Pharmacy Grants Program FY22 funding opportunity (the “Program”) will provide grants totaling up to $1,000,000 for small rural pharmacies (determined by a set of eligibility criteria established below) in the amount of $5.00 per MCO prescription dispensed in the CY2020. The grants are being awarded through the Maryland Department of Health’s Office of Pharmacy Services (the Department), with Maryland State general funds allocated for assisting Maryland’s small rural pharmacies (as defined by the most recently publish Centers for Medicare and Medicaid Services’ [CMS’s] “Zip Code to Carrier Locality” File as of Friday, August 13th, 2021. The grants will supplement dispensing fees and reimbursement rates due to current reimbursement rate agreements between the pharmacy benefit managers (PBMs) of the Maryland Medicaid HealthChoice managed care organizations (MCOs) and pharmacies.

Background
The purpose of the Program is to continue to support the incorporation of lessons learned from "Maryland's 2019 Report On The Maryland Medical Assistance Program And Managed Care Organizations That Use Pharmacy Benefits Managers – Audit and Professional Dispensing Fees” Report, specifically in the area of professional dispensing fees and prescription claim reimbursement rate models, and the difference between those for MCOs' PBMs and pharmacies. Through analysis of the data, it was determined that the greatest need for support was among small rural pharmacies. Their closure would create critical prescription care coverage access issues. This grants program is intended to provide supplemental support to prevent the likelihood of closures of the small rural pharmacies. The goal of providing funding for the eligible pharmacies is to help them cover their cost to dispense, as well as to continue serving, and further serve, MCO participants and prevent their closure in localities where that outcome would mean limited access to critical pharmacy services for a significant number of Program participants.

Grant Overview
Through this funding opportunity, participating small rural pharmacies, deemed eligible by a set of criteria (included in further detail below), will be responsible for allocating the funds awarded to them to cover their costs to dispense and other prescription fees. Acceptable uses for grant funds include but are not limited to prescription packaging supplies, developing or expanding prescription delivery services, and maintaining or upgrading pharmacy point-of-service computer systems. The purpose of the grants program is to enable the small rural pharmacies to continue or expand the coverage of services of their current threshold of MCO participants, and, if funding permits, increase their capacity to cover a greater number of MCO participants.

Grant Awards
Awards will be granted to all eligible pharmacies who submit their completed applications via email by the established deadline. Award amounts will be based on the number of eligible MCO prescriptions
each pharmacy dispensed in CY2020 at a rate of $5.00 per MCO prescription they dispensed in CY2020 (see Attachment 9). The award funding will be paid in one (1) allotment upon receipt of the completed required deliverables from the Awardees (see Attachment 7). Pharmacies awarded grant funding will hereby be referred to as "Awardees". This is a non-competitive grant award program.

Pharmacies will be notified of the grant program via a Letter of Information (LOI) sent via U.S. mail and email on Friday, September 17th, 2021. The Request for Applications (RFA) packets, will be sent to the pharmacies via U.S. mail and email on Wednesday, September 22nd, 2021. The Program will begin accepting completed Grant Applications and W-9 Forms the same day. The Abstract, LOI, RFA, and Final Report form will be issued on the Program's website by Friday, September 24th, 2021. The deadline to submit a Grant Application and W-9 Form is 5:00 PM EST on Friday, October 15th, 2021 via email to Deanna Beebe at deanna.beebe@maryland.gov (see Attachment 1). Notification of Award packets will be sent to Awardees via U.S. mail and email by Wednesday, October 20th, 2021. Awardees must return their signed and completed Grant Agreement; Statement of Obligations, Assurances, and Conditions; and Invoice for Funding worksheet to the Program by 5:00 PM EST on Tuesday, October 29th, 2021 (see Attachments 3, 4, & 5). The grant funding period will begin on Monday, November 1st, 2021, following receipt of the deliverables stated above by the Program. The funding period will end on Thursday, June 30th, 2022. The Program will begin accepting completed Final Report forms from Awardees on Friday, July 1st, 2022 (see Attachment 6). The deadline to submit Final Report forms is 5:00 PM EST on Friday, July 29th, 2022. Any grant funds unspent by Thursday, June 30th, 2022 must be reversed to the Program by Friday, August 29th, 2022, per the Grant Agreement (see Attachment 3).

1. Scope of Work: The Awardee shall use Grant funds exclusively for the purposes described in the Request for Applications, which is incorporated into this Grant Agreement.

3. Use of Grant Funds:

   A. Use of Funds: The Awardee will be responsible for allocating the funds awarded to them to cover their costs to dispense and other prescription fees, which include but are not limited to prescription packaging supplies; developing or expanding prescription delivery services, and maintaining or upgrading pharmacy point-of-service computer systems. This list is not exhaustive. The Awardee should contact the Department with any questions concerning acceptable use of grant funds.

   B. Unexpended Funds: Within sixty (60) days after the close of the Grant period or the termination of the Grant, the Awardee shall return to the Program any funds not expended or committed for the purposes of this Grant within the Grant period (or any authorized extension of the Grant period). The Program, at its sole discretion, may extend the original time limit
for the expenditure of Grant award funds following approval of an extended program timeline. This will be an extension with no additional funds.

4. Unapproved Expenditures and Property:

A. Unapproved Expenditures: The Awardee must provide the Program with the Final Report form (Attachment 6) detailing expenditures of Grant funds. Any expenditure of Grant funds inconsistent with the Program objectives as stated in the Request for Applications may, in the sole discretion of the Program, be disallowed. Should any expenditure be disallowed, or should the Awardee violate any of the terms of this Grant Agreement (the Agreement), the Program may require repayment to the Program, an offset from this Agreement to the Awardee in the current or succeeding fiscal year, or other appropriate action.

B. Disposal of Real or Personal Property: The Awardee may not sell, lease, exchange, give away, or otherwise transfer or dispose of real or personal property, or any part of or interest in real or personal property, acquired with Grant funds without the prior written consent of the Program. This includes transfer or disposition to a successor on the merger, dissolution, or other termination of the existence of the Awardee. The Awardee shall give the Program written notice at least fifteen (15) calendar days before any proposed transfer or disposition. Any proceeds from a permitted transfer or disposition shall be applied to repay to the Program a percentage of that portion of the Grant allocable to the particular real or personal property transferred or disposed of unless the Program and the Awardee agree to other terms and conditions. The percentage shall be equal to the percentage of the unadjusted basis of the property that would remain if the property had been recovery property placed in service after December 31, 1980, and if all allowable deductions had been taken up to the time of disposition under the Accelerated Cost Recovery System (ACRS) specified in the United States Internal Revenue Code, Section 168(b) (1).

C. Insurance: For any item of real or personal property that is acquired with Grant funds and has an original fair market value of five thousand dollars ($5,000) or more, the Awardee shall, at its own expense, and for the reasonable useful life of that item or for five (5) years, whichever is less, obtain and maintain insurance. The insurance shall provide full protection for the Awardee and the State against loss, damage, or destruction of or to the real or personal property. The Awardee Organization shall, on request, provide the Program with satisfactory evidence of its compliance with this requirement. Proceeds from insurance required by this paragraph shall be applied toward replacement of the real or personal property or toward the partial or total repayment to the Program of the Grant, at the sole discretion of the Program.

5. Reporting Requirements and Payment Schedule: The schedule in Attachment 7 lists due dates for Grant agreements, program deliverables, and payment dates. The Awardee Organization shall submit required reports and invoices on or before the due date following the Program’s guidelines and formats. The Awardee will receive the Grant award payment in full after receipt, review, and approval of the signed Agreement; Statement of Obligations, Assurances, and Conditions, and Invoice for Funding Worksheet. The Awardee will be required to submit a Final Report form after the final day of the Grant funding period, Thursday, June 30th, 2022, and no later than 5:00 PM EST on Friday, July 29th, 2022. The Awardee Organization will also be required to return any award funds not spent by Monday, August 29th, 2022, to the Program within sixty (60) days following the end of the Grant funding period, by 5:00 PM EST on Thursday, June 30th, 2022.
6. Administration of Grant Funds: The Awardee will directly administer the Grant funds and agrees that no Grant funds shall be disbursed to any organization or entity, whether or not formed by the Awardee, other than as specifically set forth in the Grant application cited above.

7. Grant Monitoring and Evaluation:

   A. Grant Monitoring: The Awardee agrees to provide reports on progress and invoices for funding on or before the required due date to the Program (as defined in Attachment 7), its staff, and advisors as requested by the Program.

   B. Evaluation: The Awardee agrees to participate in an evaluation of the Program, including assisting with any data collection and information gathering required, such as participation in surveys, meetings, and interviews with evaluators during and following the conclusion of the Grant funding period.

8. Financial Records: The Awardee agrees to maintain complete records of revenues and expenditures made with Grant funds, together with appropriate supporting documentation. Upon request, the Awardee will make these records available for inspection by the Program or its agents at reasonable times. The Program, at its expense, may audit or have audited the records of the Awardee insofar as they relate to the disposition of the funds awarded by the Program, and the Awardee shall provide all necessary assistance in connection therewith. Records must be kept for at least five (5) years after completion of the Grant. In addition to those records referred to above, records to be kept and maintained for this period include all invoices, bills of sale, receipts, payroll records, and employee timesheets.

9. Publicity:

   A. Press Announcements: Prior to release, the Awardee shall submit to the Program for review drafts of press releases announcing the Grant or reporting program accomplishments or findings.

   B. Publications: The Awardee shall submit to the Program three (3) copies of any publications produced under the Grant. Publications must adhere to the following terms and conditions:

13. Collusion or Other Offenses: The person executing this Agreement on behalf of the Awardee certifies, to the best of that person’s knowledge and belief, that:

   A. Neither the Awardee, nor any of its officers or directors, has engaged in collusion with respect to the Awardee’s application for the Grant or this Agreement or has been convicted of bribery, attempted bribery, or conspiracy to bribe under the laws of any state or of the United States;

   B. The Awardee has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Awardee, to solicit or secure the Grant or this Agreement, and the Awardee has not paid or agreed to pay any such entity...

14. Reporting Requirements:

A. Awardee will submit the Final Report form (Attachment 6) within the timeframes specified in the Report. When submitting the Final Report form (Attachment 6), the Awardee will document the expenditure activities or categories that utilized any of the grant funds and the amount of the grant funds used for each activity or category. The Awardee shall maintain financial records documenting the uses of the grant funds as stated in Section 8 herein.

B. If the Program determines that the Awardee’s report is inadequate in documenting progress toward objectives and/or expenditures to date, the Program will notify the Awardee of such inadequacy. Following such notification, the Awardee shall have fifteen (15) days to provide new or additional documentation that responds to the cited inadequacies. Failure of the Awardee to provide information satisfactory to the Program may result in an interruption of further Grant funding until satisfactory reporting is achieved and could result in reversion of Grant funds as described in Paragraph 11 above.

C. Continued funding for the Program is contingent upon the renewal of the State Grant, on the Awardee meeting the goals and objectives of the Program, and upon the success of the program.

D. The Awardee’s inability to file timely reports will be a significant factor in assessing future Grant applications submitted to the Program by the Awardee.

15. General Requirements:

A. The Awardee shall comply with Sections 7-402 and 7-403 of the State Finance and Procurement Article of the Annotated Code of Maryland, as applicable.

D. The Awardee may not sell, transfer, or otherwise assign any of its obligations under this
Agreement, or its rights, title, or interest in this Agreement, without the prior written consent of the Program.

E. No amendment to this Agreement is binding unless it is in writing and signed by both parties.

Acceptance of Terms and Conditions: This document shall be signed by the Program Director and the individual legally authorized to execute contracts on behalf of the Awardee Organization, signifying agreement to comply with all the terms and conditions specified above.

The above terms and conditions of the Grant are hereby accepted and agreed to as of the date specified:
