July 10, 2026

TO: All Providers

FROM: Charles Crisp, Director 
Office of Medicaid Provider Services

RE: Notice of Payment Delays

NOTE: **Please ensure that appropriate staff members in your organization are informed of the contents of this transmittal.**

This transmittal notifies providers of payment delays impacting all Medicaid providers. The State experienced delays that have impacted all recent payments issued by the Maryland Department of Health. At this time, it is expected that all payments scheduled to be issued on Thursday July 9th and Friday July 10th will not be disbursed to providers on time. This includes both direct deposits and all checks issued by the State of Maryland.

The Maryland Department of Health has resolved the underlying issue, and provider payments are expected to be issued by the middle of next week. Should any additional delays occur, Maryland Medicaid will provide timely updates and further communication to affected providers.
