RE: Consolidation of Medicaid Waiver Programs Operated by the Developmental Disabilities Administration

NOTE: **Please ensure that appropriate staff members in your organization are informed of the contents of this transmittal.**

This transmittal updates providers on the consolidation of Medicaid waiver programs, operated by the Developmental Disabilities Administration (DDA). Effective October 6, 2025, the Family Supports Waiver and Community Supports Waiver merged into the Community Pathways Waiver (CPW) to create a single, comprehensive Medicaid waiver program operated by the DDA. The CPW is now the only waiver program operated by the DDA.

This update is the result of the Centers for Medicare and Medicaid Services approving the Maryland Department of Health's amendment to consolidate the three waivers into one. This consolidation aims to simplify services, increase efficiency, improve equitable access, and create a more person-centered approach for individuals with developmental disabilities.

As a result of the consolidation, the provider-managed service rates have changed. Maryland Medicaid will update the rates for the following services offered by the CPW. Rates are reviewed and updated based on the DDA's State budget allocation, policies, cost-of-living adjustment, and input from the Rate Review Advisory Group. Providers should bill these rates for services rendered as of October 6, 2025, as listed in the three fee schedules attached:

- (1) Attachment A – LTSS Maryland Provider Managed Services Rate Chart, Effective October 6, 2025;
- (2) Attachment B – Community Living Services Rate Chart, Effective October 6, 2025, and;
- (3) Attachment C – Supported Living Services Rate Chart, Effective October 6, 2025.

Additionally, the rates for self-directed services have been updated. The most current reasonable and customary rates for these services can be found in the ‘DDA Self Directed Services Manual – Revised October 6, 2025’ on the [Self-Directed Services Guidance and Forms website](#).

For questions regarding this transmittal, please contact Denise Farmer, the Office of Long Term Services and Supports Waiver Coordinator, at denise.farmer@maryland.gov or Robert White, the DDA’s Chief Operating Officer, at robert.white2@maryland.gov.
