Enclosed is the **Program Application Modification Form** for Community Mental Health Programs approved or licensed under the Mental Hygiene Administration Community Mental Health Program regulations. Providers who would like to submit a request to relocate or expand their current program must complete the requirements outlined below. All relocations and expansions **must be approved** by the Office of Health Care Quality.

Once received, the Office of Health Care Quality’s Community Mental Health Unit will review the program’s request and complete an on-site review of the proposed location, and may request additional information from the provider.

**Please complete the following form (attached):**

- Program Modification · Face Sheet

**Additional items to be submitted:**

- Current Fire Survey for the proposed location (per state and county requirements)
- Verification from the local Core Service Agency that the program does not have any outstanding issues
- Verification from the Local Core Service Agency in the proposed location that they have been informed of the relocation/expansion and the program has expressed willingness to collaborate with the CSA.
- For expansions: Verification of required staff, including program director, rehabilitation specialist, and medical director, as applicable. Verification should include a signed job description or contract and evidence of current Maryland licensure.
All applicants who are applying to provide services for children must be registered with CJIS (http://www.dpscs.state.md.us/publicservs/bgchecks.shtml) and show evidence of this registration.

Upon completion, the application modification request should then be submitted to the following:

Mr. William Dorrill, Deputy Director
Community Mental Health Unit
Office of Health Care Quality
Bland Bryant Building, Spring Grove Center
55 Wade Ave, Catonsville, MD 21228

If you have any questions regarding this process, please contact Office of Health Care Quality’s Community Mental Health Unit at 410-402-8060.
