### **Maryland Board of Examiners in Optometry Continuing Education Waiver Request Form**

In light of the COPE's allowance of virtual CEs, and the undue hardship attending live, in person conferences can impose on licensees, the Board voted to waive the in person, in Maryland requirements of COMAR 10.28.02 B (1), effective immediately, and to update COMAR 10.28.02 B (1). Until the regulation is updated, the Board will waive the in person, in Maryland requirement for all applicants who request it. Please note, the waiver request form must be submitted before the renewal deadline of June 30, 2024.
