New RxGov Login for PDMP and Non-Controlled (Non-CDS) Medication Data

Beginning July 23, all RxGov users will log in through the new portal: <https://rxgovmd.oneleap.io>.

If you go to the old RxGov log in page, you will see a link to take you to the new page.

Welcome to the single sign-on website for the submission of both Maryland PDMP and Non-CDS data.

New Users: Register for an account [here](#) to get started.

Current Users: You must reset your password to continue. Click [Reset Password](#) and then enter the email for your existing account to reset your password. If you have already reset your password, please login below.

Step 1

All current account holders will need to set up a new password to gain access to the new portal. Users will need to click “Reset password” on the initial login page.

Verification is necessary. Please enter your email address and click Send verification code.

Send verification code

Continue

Step 2:

Enter your email address and click “Send verification code”. (You must use the same email that you use to log into RxGov.)

Verification code has been sent to your inbox. Please copy it to the input box below.

Step 6:

Once the password is reset you will be returned to the log in page where you will enter your email address, newly created password, and click the Login button.

Step 7:

Once logged in to RxGov, you will see two tiles.

Clicking on the CDS tile will give you access to your CDS (controlled substance) submissions and allow you to make any necessary corrections.

Clicking on the Non-CDS tile will give you access to your Non-CDS submissions and allow you to make any necessary corrections for those submissions. Other functions of RxGov will remain the same. You may submit files to RxGov through either tile.
