CRIMINAL BACKGROUND CHECK

Required for Designated Representative and Immediate Supervisor of Designated Representative:

Maryland law requires the state background results be provided by the State of residence and the Federal results be provided by a state or federal agency.

Below is the process in order to obtain the needed background checks.

To obtain the state results:

The State followed by "background check" (ex.: *Maryland Background Check*) would be searched online. The results would provide the process for obtaining that state's background check <u>To obtain the federal results:</u>

There are currently two options regarding the Federal background check.

- Submit background cards for the Federal level checks to the State of Maryland for processing, the federal check will be processed by Maryland CJIS

(http://www.dpscs.state.md.us/publicservs/bgchecks.shtml) Or

- Submit the federal background check directly to the FBI (http:// $\underline{www.fbi.gov/about-us/cjis/backgroundchecks}$)

Please note: Third party background results are not accepted
