**PRE-CHARGE CONSENT ORDER**

**Background**

The Maryland Board of Pharmacy (the “Board”) received an application for a change of ownership from AHF Pharmacy (the “Pharmacy”) on March 25, 2024. On the application, the Pharmacy stated that the change of ownership had already occurred on November 3, 2023. The Board subsequently opened an investigation and received documents indicating that AHF Pharmacy had dispensed approximately 3,500 prescription orders into Maryland prior to the issuance of its Maryland non-resident pharmacy permit on May 6, 2024.

In lieu of instituting formal proceedings against AHF Pharmacy in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 *et seq.*, the Board and AHF Pharmacy have agreed to resolve this matter as set forth in this Pre-Charge Consent Order.

**FINDINGS OF FACT**

1. AHF Pharmacy is a non-resident pharmacy located and licensed in Fort Lauderdale, Florida.
2. On or about March 25, 2024, AHF Pharmacy submitted a change of ownership application to the Board. The application indicated that the change of ownership

occurred on November 3, 2023, possibly indicating that the new owner had been operating a pharmacy prior to the issuance of a new non-resident pharmacy permit.

3. Maryland pharmacy permits are not transferrable.
4. Upon review of the information in the application, the Board opened an investigation into the matter.
5. AHF Pharmacy cooperated with the Board's investigation and provided requested documents. The Board's investigation determined that AHF Pharmacy dispensed certain prescription drugs into Maryland prior to obtaining a Maryland non-resident pharmacy permit.
6. Specifically, between November 4, 2023, and March 25, 2024, AHF Pharmacy dispensed approximately 3,500 prescription orders to patients in Maryland without a Maryland non-resident pharmacy permit.
7. A pharmacy located outside of Maryland must hold a non-resident pharmacy permit issued by the Board before the pharmacy dispenses any prescription drugs into Maryland.
8. AHF Pharmacy obtained a Maryland non-resident pharmacy permit on May 6, 2024, which permit remains active and in good standing to date.

### **CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, the Board concludes that AHF Pharmacy is subject to a sanction in accordance with Md. Code Ann., Health Occ. §§ 12-401, 12-403(e) and 12-408.

**ORDER**

Based upon an affirmative vote of the Maryland Board of Pharmacy under the authority of Md. Code Ann., Health Occ. § 12-101, *et seq.*, it this 19<sup>th</sup> day of August, 2024, hereby,
