RE: Finding of Deficiencies and Imposition of Civil Monetary Penalty By Consent
Permit Number: D06769; Case Number: 25-283

Dear Mr. Askew:

On October 31, 2024, the Maryland Board of Pharmacy (the “Board”) attempted to conduct an inspection of Agiliti Health, Inc., located in Millersville, Maryland (the “Distributor”) to determine if the Distributor was in compliance with State laws and regulations. The Distributor’s documented business hours are Monday-Sunday, 8:00 AM to 5:00 PM. Upon arrival at 1:35 PM, the Board’s inspector noted that the Distributor was not open and operating. The Board’s inspector then spoke with the Distributor’s designated representative on the telephone who indicated that no one could be onsite to permit the Board’s inspection and that there was usually no staff at the location. The Board’s inspector ultimately left the location without being able to conduct an annual inspection. In addition, the Distributor subsequently ceased operations without providing the Board with advanced notice.

The Board and the Distributor participated in a case resolution conference resulting in an agreement to resolve the findings of deficiencies as set forth herein.

I. FINDINGS AND CONCLUSION

The Board finds that the Distributor failed to be open and operating during its stated business hours thereby prohibiting the Board from conducting its inspection of the

premises, in violation of the Maryland Pharmacy Act. In addition, the Designated Representative is not physically present at the facility during regular business hours. The Board also finds that the Distributor ceased operations without written advanced notice to the Board.

Based upon the Distributor's failure be open and subject to the Board's inspection during its stated business hours, and due to the failure of the Designated Representative to be physically present at the facility during regular business hours, and subsequently ceasing operations without advanced notice to the Board, the Board finds that the Distributor is in violation of the Maryland Pharmacy Act and the regulations adopted thereunder. Specifically, the Board finds the Distributor in violation of Health Occ. Art., § 12-6C-05(d)(3)(v) and § 12-6C-07 and COMAR 10.34.22.03D and I, 10.34.22.05.A(3)(b)(iii), 10.34.22.10B.

II. CIVIL MONETARY PENALTY

Under Maryland Health Occupations Article § 12-6C-11 and COMAR 10.34.11, the Board of Pharmacy has the authority to impose a civil monetary penalty based upon violations of the Maryland Pharmacy Act.

Based upon the Distributor's infractions above, the Board hereby imposes the imposition of a **civil monetary penalty of \$1,000.00**

In determining the recommended civil monetary penalty, the Board took into consideration the factors set forth in COMAR 10.34.11.08.

III. PAYMENT OF CIVIL MONETARY PENALTY

The Distributor consents to pay the civil monetary penalty **within thirty (30) days** of the date of this Notice, in the form of a certified check or money order made payable to the Maryland Board of Pharmacy.

Please mail the check or money order to:
