WHEREAS, such efforts include the following:

This agreement remains in effect until August 23, 2013, unless sooner terminated or later extended by agreement of Ameridose and the Massachusetts Board.

ORDERED that Ameridose shall immediately cease and desist dispensing, shipping, mailing, distributing or delivering in any manner, legend drugs or devices or controlled substances into the State of Maryland, and shall cease and desist participation in any and all central prescription handling arrangements involving Maryland facilities until such time that Ameridose holds active and unrestricted permits to operate in Massachusetts; and be it further,

ORDERED that upon commencement of operations into or within Maryland, Ameridose shall comply with all applicable Maryland law, to include any statutory and regulatory requirements relating to sterile compounding or sterile drugs products; and be it further,

ORDERED that this Consent Order shall not be construed as a disciplinary action or sanction, nor as an admission of liability or wrongdoing by Ameridose, including their officers, directors, managers, and employees, nor as an admission of ineligibility for licensure pursuant to Md. Code Ann., Health Occ. § 12-403(d) or § 12-6C-03; and be it further,

ORDERED that the entry of the within Order is without prejudice to the further investigation and/or prosecution of any possible violations by Ameridose of any statutes or

regulations governing the practice of pharmacy in the State of Maryland or any other violations of law, by the Board, the Attorney General, or any other regulatory or law enforcement agency, including but not limited to any pending matters under investigation; and be it further,

ORDERED that this is a formal order of the Maryland Board of Pharmacy and as such is a public document pursuant to the Md. Code Ann., State Gov't, § 10-617(h).
