License No. 08351

ORDER TERMINATING PROBATION AND
REINSTATING PHARMACIST LICENSE

On November 15, 1994, Lawrence Appel, P.D. ("the Respondent") appeared before the Maryland Board of Pharmacy (the "Board") to apply for reinstatement of his license without the conditions of probation contained in the Final Order entered into between the Respondent and the Board on September 16, 1992 (the "1992 Order"). Pursuant to the agreement reached between the Respondent and the Board at the meeting held on November 5, 1995, the 1992 Order was amended. By Amended Final Consent Order dated February 16, 1995 (the "1995 Order"), the Respondent's license to practice pharmacy in Maryland remained suspended with an immediate stay and placed on probation subject to certain conditions (the "Conditions of Probation") as opposed by the 1992 Order with the exception that the conditions of the probation were amended.

By letter received June 1, 1996, the Respondent petitioned the Board for reinstatement of his license to practice pharmacy in Maryland without any condition or restriction. At its meeting on September 19, 1996, the Board reviewed Respondent's petition for reinstatement. Based on its review of that petition and the reports submitted to the Board, the Board determined that Respondent had satisfactorily fulfilled all of the Conditions contained in the 1995 Order.

FINDINGS OF FACT

The Board finds that Respondent has satisfactorily complied with all the Conditions imposed by its 1995 Order.

CONCLUSION OF LAW

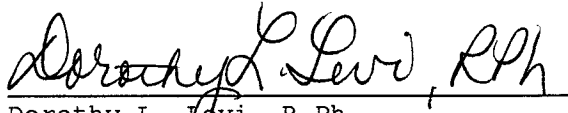

The Board concludes as a matter of law that it is appropriate to terminate Respondent's Conditions on his license and to reinstate his pharmacist license without any condition or restriction.

ORDER

UPON THE FOREGOING Findings of Fact and Conclusions of Law, it is this 19th day of September, 1996 by unanimous vote of a quorum of the Board

ORDERED that effective as of the date of this Order, the Conditions imposed on Respondent's practice of pharmacy by the Board's 1995 Order are hereby **TERMINATED** and of no force and effect; and be it further

ORDERED that Respondent's license to practice pharmacy in the State of Maryland be **REINSTATED** without any condition or restriction whatsoever.
