BOARD OF PHARMACY  
Case No. 21-072**

**PRE-CHARGE CONSENT ORDER**

**Background**

The Maryland Board of Pharmacy (the “Board”) received reliable information indicating that BET Pharm, LLC (the “Pharmacy”) was formally disciplined by the Kentucky Board of Pharmacy on August 5, 2020, based on deficient sterile compounding practices. The Board then opened an investigation into the matter which revealed that the Pharmacy was placed on probation by the Kentucky Board based on its dispensing of sterile and non-sterile products that failed to adhere to USP 797 and 795, respectively. The Pharmacy failed to report the Kentucky Board disciplinary action to the Board as required by the Board’s regulations.

In lieu of instituting formal proceedings against BET Pharm, LLC, in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 *et seq.*, the Board and BET Pharm, LLC, have agreed to resolve this matter as set forth in this Consent Order.

**FINDINGS OF FACT**

1. The Pharmacy is currently located at 1501 Bull Lea Road, Lexington, Kentucky, and obtained a non-resident pharmacy permit to operate in Maryland under Permit Number P04724 on or about August 14, 2008. The Pharmacy’s permit is active and will expire on May 31, 2022.

2. The Pharmacy dispenses compounded sterile and non-sterile products pursuant to patient-specific prescriptions.
3. On or about August 5, 2020, the Kentucky Board of Pharmacy and the Pharmacy entered into an Agreed Order of Probation.
4. The Kentucky Board found that the Pharmacy had, among other things, engaged in unprofessional and unethical conduct by failing to compound sterile preparations pursuant to USP 797 and non-sterile preparations pursuant to USP 795, and failed to maintain complete and accurate compounding records.
5. The Kentucky Board fined the Pharmacy in the amount of \$40,500.00 and placed the Pharmacy's permit on probation for a period of five (5) years with various terms and conditions focused on monitoring the Pharmacy's compounding processes.
6. The Board's investigation revealed that the Pharmacy dispensed approximately seven (7) compounded products into Maryland that were included in the affected lots determined by the Kentucky Board to not have met USP 797 and 795 standards.
7. The Pharmacy failed to report the disciplinary action taken by the Kentucky Board to the Board within five (5) calendar days as required by COMAR 10.34.19.18.

#### **CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, the Board concludes that BET Pharm, LLC, Permit Number P04724, is subject to discipline in accordance with Md. Code Ann., Health Occ. §§ 12-403(e)(1), (g)(1) and (10), 12-313(b)(24) and COMAR 10.34.19.18.
