ORDER OF MODIFICATION

The Maryland Board of Pharmacy (the "Board") is in receipt of a petition from Thomas Closson, License No. 14131, requesting modification of certain terms of probation set forth in the Board's Order Lifting Suspension, dated April 16, 2012. The Order Lifting Suspension placed Mr. Closson's license on probation for a period of four (4) years based on prior misconduct involving diversion of controlled substances and substance abuse impairment. The Order permits Mr. Closson to petition the Board for modification of probationary terms after one (1) year. Mr. Closson is requesting that the Board modify his probationary conditions to allow him more flexibility to work as a pharmacy manager, up to 45 hours per week. In addition, Mr. Closson seeks to decrease the frequency of his weekly urine screenings. Upon consideration of Mr. Closson's petition and his full compliance with the probationary terms to date, the Board voted to modify the terms of probation as ordered below.
