PRE-CHARGE CONSENT ORDER

Background

In April 2024, the Maryland Board of Pharmacy (the “Board”) received an application for reinstatement of an expired pharmacist license from a pharmacist designated as the Maryland-licensed pharmacist responsible for the provision of pharmaceutical services to Maryland residents at a non-resident pharmacy, Custom Prescriptions of Lancaster (the “Pharmacy”), Permit No. P05572. Upon further investigation, the Board discovered that the Pharmacy was providing services to Maryland patients without an active Maryland-licensed designee between approximately October 1, 2023, and April 14, 2024.

In lieu of instituting formal proceedings against the Pharmacy, in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 et seq., the Board proposed, and the Pharmacy agreed, to resolve this matter as set forth in this Consent Order.

FINDINGS OF FACT

1. At all times relevant hereto, the Pharmacy operated as a non-resident pharmacy in Maryland. The Pharmacy began operating under Permit No. P05572 on September 6, 2011; the permit is active and is set to expire on May 31, 2026.

2. At all relevant times, the Pharmacy designated Pharmacist A as the Maryland-licensed pharmacist responsible for the provision of pharmaceutical services to patients in Maryland, in accordance with Md. Code Ann., Health Occ. § 12-403(e)(2).
3. On September 3, 2023, Pharmacist A's license to practice pharmacy in Maryland expired. On April 9, 2024, Pharmacist A submitted an application for reinstatement of her Maryland license to the Board; Pharmacist A indicated on her application that she inadvertently missed the renewal period for her Maryland license.
4. Pharmacist A's license to practice in Maryland was reinstated on April 15, 2024.
5. The Pharmacy did not designate a new Maryland-licensed pharmacist responsible for the provision of pharmaceutical services to patients in Maryland within 60 days of the expiration of Pharmacist A's license as required by COMAR 10.34.37.04B(3).
6. The Pharmacy operated as a non-resident pharmacy in Maryland, dispensing approximately 93 prescriptions to Maryland patients, without an active Maryland-licensed designated pharmacist between October 1, 2023, and April 14, 2024.
- 7.

CONCLUSION OF LAW

Based on the foregoing Findings of Fact, the Board concludes that the Pharmacy is subject to disciplinary action in accordance with Md. Code Ann., Health Occ. §§12-403(e)(2), 12-409(b), and 12-410, and COMAR 10.34.37.04B(2), (3).

ORDER

Based on an affirmative vote of a majority of the Board, it is this 12th day of September, 2024, hereby:

ORDERED that the Pharmacy shall pay a fine in the amount of TWO THOUSAND DOLLARS (\$2,000.00), payable to the Maryland Board of Pharmacy, within sixty (60) days of the date of this Order and sent to:
