Re: Summary Suspension Order
Registration No. T06380

Dear Mr. Eastham:

On July 21, 2010, the State Board of Pharmacy (the "Board") voted to summarily suspend your registration to practice as a Pharm Tech. The Board will consider whether to Continue the Summary Suspension of the enclosed Order for Summary Suspension at a Show Cause hearing, which will be scheduled within a reasonable time of your written request for same. The Show Cause Hearing will be held before the Board at 4201 Patterson Avenue, Baltimore, Maryland 21215.

At that time, you will have the opportunity, either through counsel or in person, to address the Board representative(s) to show cause why the Order should not be continued and how an alternative resolution would protect the public health, safety or welfare. This opportunity to address the Board is not intended as a substitute for a hearing before the Board as to the merits of the emergency suspension. Should the summary suspension be continued, a hearing on the merits will be granted within 30 days of your requesting same.

Because your right to practice as a Pharm Tech in Maryland is at issue, you are strongly urged to retain and be represented by an attorney.
The Administrative Prosecutor in this case is Roberta Gill, Assistant Attorney General. If you have or your attorney has any questions about the Summary Suspension, please contact Ms. Gill at 300 West Preston Street, Suite 207, Baltimore, Maryland 21201, (410) 767-6574.

Sincerely,

Michael N. Souranis, P.D., President
State Board of Pharmacy

REGISTRATION NO. T06380

BEFORE THE  

STATE BOARD  

OF PHARMACY  

CASE NO. PT-10-008  

ORDER FOR SUMMARY SUSPENSION

Pursuant to Md. State Govt. Code Ann. §10-226 (c) (2)(2009 Repl. Vol.), the State Board of Pharmacy (the "Board") hereby suspends the registration to practice as a Pharmacy Technician (Pharm Tech) in Maryland issued to Kirk Eastham (the "Respondent"), under the Maryland Pharmacy Act (the "Act"), Md. Health Occ. Code Ann. § 12-101, et seq., (2009 Repl. Vol.). This Order is based on the following investigative findings, which the Board has reason to believe are true:

BACKGROUND

1. At all times relevant hereto, the Respondent was registered to practice as a Pharm Tech in Maryland. The Respondent was first registered on September 28, 2009, via grandfathering. The Respondent's license expires on May 31, 2011.

2. At all times relevant hereto, the Respondent was employed at the Omnicare/Neighborcare Pharmacy at Annapolis Junction.

3. On November 13, 2009, the Respondent was fired from the pharmacy when it came to the attention of the pharmacy manager that he had been diverting Oxycodone 15 and 30 mg tablets from the pharmacy for his own use. An unmistakable pattern developed, where, on numerous occasions, an order for Oxycodone was...
entered by Order Entry but there was no proof of delivery to the facility.¹

4. The pharmacy filed a DEA report, as required, which is attached hereeto and made a part hereof.

FINDINGS OF FACT

As set forth above, stealing drugs from one's employer, including those intended for patients at long-term care facilities, for one's own use, is a threat to the public health, safety or welfare.

CONCLUSIONS OF LAW

Based on the foregoing, the Board finds that the public health, safety or welfare imperatively requires emergency action, pursuant to Md. St. Gov't. Code Ann. §10-226(c)(2) (2009 Repl. Vol.).

ORDER

Based on the foregoing, it is therefore this 25th day of August, 2010, by a majority vote of a quorum of the State Board of Pharmacy, by authority granted by the Board by Md. St. Govt. Code Ann. §10-226(c)(2) (2009 Repl. Vol.), the registration held by the Respondent to practice as a Pharm Tech in Maryland, Registration No. T06389, is hereby SUMMARILY SUSPENDED; and be it further

ORDERED, that upon the Board's receipt of a written request from the Respondent,

¹ The pharmacy serves over 20 long-term care facilities throughout Maryland.
a Show Cause Hearing shall be scheduled within a reasonable time of said request, at which the Respondent will be given an opportunity to be heard as to whether the Summary Suspension should be continued, regarding the Respondent's fitness to practice as a Pharm Tech and the danger to the public; and be it further

ORDERED, that the Respondent shall immediately turn over to the Board his wall certificate and wallet-sized registration to practice as a Pharm Tech issued by the Board; and be it further

ORDERED, that this document constitutes a final Order of the Board and is therefore a public document for purposes of public disclosure, as required by Md. State Gov't Code Ann. §10-617(h) (2009 Repl. Vol.).

Michael N. Souranis, P.D., President
Board of Pharmacy

NOTICE OF HEARING

A Show Cause hearing to determine whether the Summary Suspension shall be continued will be held before the Board at 4201 Patterson Avenue, Baltimore, 21215 following a written request by the Respondent for same.
