IN THE MATTER OF

LAWRENCE EKANEY, P.D.

LICENSE NO. 12095

Respondent

BEFORE THE

STATE BOARD

OF PHARMACY

FINAL CONSENT ORDER

Based on information received and a subsequent investigation by the State Board of Pharmacy (the "Board"), and subject to Md. Health Occ. Ann. § 12-101, et seq., (2000 Repl. Vol.) (the "Act"), the Board charged Lawrence Ekaney, P.D., (the "Respondent"), with violations of the Act. Specifically, the Board charged the Respondent with violation of the following provisions of § 12-313:

(b) Subject to the hearing provisions of §12-315¹ of this subtitle, the Board, on the affirmative vote of a majority of its members then serving, may deny a license to any applicant, reprimand any licensee, place any licensee on probation; or suspend or revoke a license if the applicant or licensee:

(2) Fraudulently or deceptively uses a license;

(6) Willfully makes or files a false report or record as part of practicing pharmacy;

(14) Without first having received a written or oral prescription for the drug from an authorized prescriber, dispensed any drug for which a prescription is required;

(24) Violates any rule or regulation adopted by the Board[.]

¹ Under § 12-314 of the Act, the Board also has the authority to impose a monetary fine, under certain circumstances.
The Board further charges the Respondent with a violation of the following provision of the Code of Md. Regs. tit. 10, §34.10.01 (1999):

.01 Patient Safety and Welfare.

A. A pharmacist shall:

(1) Abide by all federal and State laws relating to the practice of pharmacy and the dispensing, distribution, storage, and labeling of drugs and devices, including but not limited to:

(c) Health Occupations Article, Title 12, Annotated Code of Maryland[.].

B. A pharmacist may not:

(1) Engage in conduct which departs from the standard of care ordinarily exercised by a pharmacist[; or].

The Respondent was given notice of the issues underlying the Board's charges by a letter dated October 17, 2001. Accordingly, a Case Resolution Conference was held on December 3, 2001, and was attended by Laura Schneider and Stanton Ades, pharmacist members of the Board, LaVerne Naesea, Executive Director of the Board, Prince Boakye, student intern, and Paul Ballard, Counsel to the Board. Also in attendance were the Respondent and his attorney, Christine Gage, and the Administrative Prosecutor, Roberta Gill.

Following the Case Resolution Conference, the parties and the Board agreed to resolve the matter by way of settlement. The parties and the Board agreed to the following:
FINDINGS OF FACT

1. At all times relevant to the charges herein, the Respondent was licensed to practice pharmacy in the State of Maryland. The Respondent was initially licensed on July 27, 1990. The Respondent last renewed his license on July 18, 2001. The Respondent’s license expires on July 31, 2003.

2. At all times relevant hereto, the Respondent was employed as a Pharmacy Manager at Costco Pharmacy (“Costco”) # 214, located in Beltsville, Maryland. The Respondent was employed at Costco from January 1999 to February 2000.

3. On or about February 8, 2000, Costco conducted an audit, which disclosed that approximately 77 prescriptions were filled for approximately 21 different patients using the physician name of Dimensions Health Care or Washington Hospital Center. The hard copy for these prescriptions was written on telephone blanks, indicating that they were called in to the pharmacy. For call-ins, the name of the actual individual prescriber is required. Costco investigated further and concluded that all 77 prescriptions were filled by the Respondent, but were not authorized by the listed prescriber.

4. The Board verified that, in many instances, for the purported Dimensions patients, these individuals had never been patients at Dimensions or had no prescriptions issued for them going back to 1990. Three of the prescriptions were for controlled drugs; the rest were for non-controlled drugs. In some instances, the Respondent filled prescriptions for himself or for a family member.
5. The Board further verified that, in creating these false records, the Respondent used a fictitious DEA number for Dimensions.

CONCLUSIONS OF LAW

Based upon the foregoing Findings of Fact, the Board finds that Respondent violated § §12-313 (b) (3), (7), (15) and (25). The Board further finds that the Respondent violated Code of Md. Regs. tit. 10, §34.10.01.01A (1) (c) and B (1) (1999).

ORDER

Based on the foregoing Findings of Fact, Conclusions of Law and agreement of the parties, it is this 16th day of January, 2002, by a majority of a quorum of the Board,

Should the Board receive in good faith information that the Respondent has substantially violated the Act or if the Respondent violates any conditions of this Order or of Probation, after providing the Respondent with notice and an opportunity for a hearing, the Board may take further disciplinary action against the Respondent, including lifting the Stay of Suspension. The burden of proof for any action brought against the Respondent as a
result of a breach of the conditions of the Order or of Probation shall be on the Respondent
to demonstrate compliance with the Order or conditions; and be it

ORDERED that the Respondent shall practice in accordance with the laws and
regulations governing the practice of pharmacy in Maryland; and be it further

ORDERED that, at the end of the Probationary period, the Respondent may petition
the Board to be reinstated without any conditions or restrictions on his license, provided
that he can demonstrate compliance with the conditions of this Order. Should the
Respondent fail to demonstrate compliance, the Board may impose additional terms and
conditions of Probation, as it deems necessary. Should the Respondent fail to petition the
Board, he shall remain on probation;

ORDERED that for purposes of public disclosure, as permitted by Md. State Govt.
Code Ann. §10-617(h) (Repl. Vol. 1999), this document consists of the contents of the
foregoing Findings of Fact, Conclusions of Law and Order and that the Board may also
