ORDER TERMINATING PROBATION AND  
REINSTATING PHARMACIST LICENSE

By Order dated April 18, 1994 with the effective date of December 15, 1993 ("the 1994 Order"), the Maryland Board of Pharmacy (the "Board") found Rebecca Fire, P.D. (the "Respondent") guilty of violating Section 12-313(b)(23) of the Health Occupations Article. The Board ordered that Respondent's license to practice pharmacy in the State of Maryland be **SUSPENDED**. The suspension was stayed and Respondent was placed on probation subject to certain conditions (the "Conditions of Probation").

By letter received June 13, 1994, Respondent petitioned the Board for reinstatement of her license to practice pharmacy in Maryland without any condition or restriction. At its meeting on July 20, 1994, the Board reviewed Respondent's petition for reinstatement. Based on its review of that petition and the reports submitted to the Board, the Board determined that Respondent had satisfactorily fulfilled all of the Conditions contained in the 1994 Order.

FINDINGS OF FACT

The Board finds that Respondent has satisfactorily complied with all the Conditions imposed by its 1994 Order.

CONCLUSION OF LAW

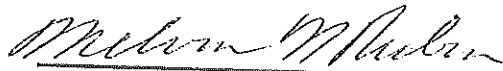

The Board concludes as a matter of law that it is appropriate to terminate Respondent's Conditions on her license and to reinstate her pharmacist license without any condition or restriction.

ORDER

UPON THE FOREGOING Findings of Fact and Conclusions of Law, it is this 22nd day of July, 1994 by unanimous vote of a quorum of the Board

ORDERED that effective as of the date of this Order, the Conditions imposed on Respondent's practice of pharmacy by the Board's 1994 Order are hereby **TERMINATED** and of no force and effect; and be it further

ORDERED that Respondent's license to practice pharmacy in the State of Maryland be **REINSTATED** without any condition or restriction whatsoever.
