**PRE-CHARGE CONSENT ORDER**

**Background**

The Maryland Board of Pharmacy (the “Board”) received an application for a pharmacist’s license from Mujahid Huq, R.Ph. (the “Applicant”) on June 19, 2025. During the application process, the Applicant disclosed that he had been criminally indicted in New York on June 25, 2025, based on allegations of healthcare fraud.

In lieu of instituting formal proceedings against the Applicant, in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 *et seq.*, the Board and Applicant, have agreed to resolve this matter as set forth in this Pre-Charge Consent Order.

**FINDINGS OF FACT**

1. On or about June 19, 2025, the Applicant submitted an application for a pharmacist’s license in Maryland.
2. The Applicant currently resides in New York and holds a license to practice pharmacy in New York under License No. 049506.
3. During the application process, the Applicant disclosed, “In Brooklyn, NY, around June 30, 2025, former employees made false allegations and stole from me, leading to unfounded charges including health care fraud, unlawful monetary transactions, and conspiracy...”

4. Subsequently, the Board obtained a copy of a Grand Jury Indictment issued against the Applicant in the U.S. District Court, Eastern District of New York on June 25, 2025 (CR No. 1:25-cr-00213FB).
5. The above Indictment alleges that, among other things, the Applicant engaged in a fraudulent billing scheme through his direct and indirect ownership of various pharmacies located in New York from January 2018 to December 2023.
6. The Applicant's criminal proceeding is pending. A trial date is currently scheduled for May 4, 2026, in the U.S. District Court, Eastern District of New York.

#### **CONCLUSIONS OF LAW**
