Re: License No. 21697
Case No. 20-082
Notice of Recommended Civil Penalty

Dear Dr. Mehrabiansani:

The Board of Pharmacy (the "Board") conducted an annual inspection of your pharmacy employer ("Pharmacy A") in Chevy Chase, Maryland, on June 26, 2019. During that inspection, it was noted that you were registered with the Board to administer vaccinations. However, you did not have proof of CPR certification readily available, and subsequently you submitted a copy of your CPR certification which was obtained through online instruction rather than in-person classroom instruction as required by the Board's regulations. The Board received further information from Pharmacy A indicating that you administered approximately 120 vaccinations without proper CPR certification, 34 of which were administered after the Board's inspection noting the deficiency. You advised the Board that you obtained valid CRP certification through in-person classroom instruction on October 12, 2019.

I. FINDINGS AND CONCLUSION

The Board finds that you administered approximately 120 vaccinations without proper CPR certification through in-person classroom instruction, 34 of which were administered after the Board's inspection noting the deficiency. In addition, you failed to

have a copy of your CPR certification readily available at the time of the Board's inspection.

A pharmacist must maintain active CPR certification through in-person classroom instruction in order to administer vaccinations and must keep such certification readily available in accordance with the Maryland Pharmacy Act, Health Occ. Art. § 12-508(b)(2) and COMAR 10.34.32.03.

II. RECOMMENDED CIVIL MONETARY PENALTY

Under Maryland Health Occupations Article § 12-314 and COMAR 10.34.11, the Board of Pharmacy has the authority to impose a civil monetary penalty based upon violations of the Maryland Pharmacy Act.

Based upon the findings and conclusions above, the Board hereby recommends the imposition of a **civil monetary penalty of \$500.00**.

In determining the recommended civil monetary penalty, the Board took into consideration the aggregating and mitigating factors outlined in COMAR 10.34.11.04.

III. OPPORTUNITY FOR HEARING

If you dispute the findings, conclusions or the civil monetary penalty, you may request an evidentiary hearing on the Board's decision in this matter. In the event that you request an evidentiary hearing, the Board shall initiate formal proceedings which will include the opportunity for a full evidentiary hearing. The hearing will be held in accordance with the Administrative Procedure Act, Md. Code Ann., State Gov't § 10-201 *et seq.*, and COMAR 10.34.01. Any request for a hearing must be submitted in writing to Donna Goldberg, R.Ph., J.D., Maryland Board of Pharmacy, 4201 Patterson Ave., 5th Floor, Baltimore, Maryland 21215, **no later than thirty (30) days from the date of this Notice**.

Please be advised that at the hearing you would have the following rights: to be represented by counsel, to subpoena witnesses, to call witnesses on your own behalf, to present evidence, to cross-examine witnesses, to testify, and to present summation and argument. Should the Board find you guilty of the violations cited herein, the Board may impose formal public disciplinary action against your license such as a reprimand, placing your license on probation, suspension, or revocation. The Board may also impose a civil penalty against your license not to exceed \$10,000. If you request a hearing but fail to appear, the Board may nevertheless hear and determine the matter in your absence.

IV. OPTION TO PAY RECOMMENDED MONETARY PENALTY

Alternatively, you may pay the recommended civil monetary penalty **within thirty (30) days** of the date of this Notice, in the form of a certified check or money order made payable to the Maryland Board of Pharmacy.
