ORDER OF MODIFICATION

The Maryland Board of Pharmacy is in receipt of a request from Daniel McTaggart, License No. 14584, to modify of a particular term of his Consent Order in Lieu of Continued Summary Suspension, dated December 12, 2012. The Consent Order requires, *inter alia*, that Mr. McTaggart shall participate in an intensive, outpatient, 12-step program. Mr. McTaggart provided documentation from the Washington County Health Department, however, stating that Mr. McTaggart “does not meet the [American Society of Addiction Medicine] criteria for further treatment at this time.” Upon consideration of Mr. McTaggart’s request and the documentation he provided, the Board voted to modify the terms of probation as ordered below.

ORDER

It is this 21st day of December, 2012, by an affirmative vote of the Maryland Board of Pharmacy, hereby,

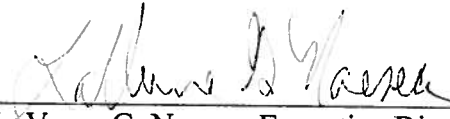

ORDERED that during the ninety (90) day suspension period, in lieu of enrolling in and completing an intensive outpatient 12-step program, Mr. McTaggart shall attend meetings of a 12-step substance abuse support group at least three (3) times per week; and be it further,

ORDERED that Mr. McTaggart shall provide the Board with documentation proving his attendance at the required 12-step substance abuse support group meetings on a monthly basis; and be it further,

ORDERED that all of the other terms of the December 12, 2012 Consent Order in Lieu of Summary Suspension remain in full force and effect; and be it further,

ORDERED that this is a formal order of the Maryland Board of Pharmacy and as such is a public document pursuant to the Maryland Annotated Code, State Government Article, Section 10-617(h).
