FINDINGS OF FACT

The Board finds that:

1. At all times relevant hereto, the Respondent was registered to practice as a pharmacy technician in the State of Maryland. The Respondent was originally registered to practice as a pharmacy technician in Maryland on or about July 28, 2009.

2. The Respondent’s registration expired on April 30, 2013.

3. In or around February 2013, a detective (“Detective A”) from the Baltimore County Police Department Vice Narcotics and Pharmaceuticals Squad informed the Board that the Respondent had been arrested in January 2013 for illegal possession and theft of Oxycodone, a schedule II controlled substance.

4. Prior to her arrest, Detective A was contacted by a pharmacist (“Pharmacist Y”), who worked at a Baltimore County pharmacy. The Respondent worked as a pharmacy technician at the same Baltimore County pharmacy.

5. Pharmacist Y informed Detective A that the Respondent had taken 30 tablets of Oxycodone Hcl from a prescription bottle that had already been filled and dispensed to a patient. The patient’s prescription was for 150 tablets of Oxycodone Hcl.

6. Pharmacist Y was informed of the missing medication after a patient contacted Pharmacist Y and informed the pharmacist that all the medication was not in the bottle that the patient picked up from the pharmacy.

7. The Respondent was observed by Pharmacist Y and Detective A on pharmacy surveillance tapes opening a prescription bottle, removing pills from the bottle, and placing them in her sweater pocket.
8. When questioned by Detective A, the Respondent admitted that she had taken Oxycodone tablets from the prescription bottle and placed them in her sweater pocket.

9. On or about May 20, 2013, the Board summarily suspended the Respondent’s registration. The summary suspension of the Respondent’s registration was based on the facts as set forth above.

10. The facts, as set forth above, are grounds for the revocation of the Respondent’s registration.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes that the Respondent violated H.O. § 12-6B-09 (22).
