**ORDER FOR SUMMARY SUSPENSION OF REGISTRATION  
TO PRACTICE AS A PHARMACY TECHNICIAN**

The Maryland State Board of Pharmacy (the "Board") hereby **SUMMARILY SUSPENDS** the registration of **KRISTEN SMITH** (the "Respondent") (D.O.B. 8/19/89), Registration Number T09415, to practice as a pharmacy technician in the State of Maryland. The Board takes such action pursuant to its authority under Md. Code Ann., State Gov't ("S.G.") § 10-226(c)(2) (2009 Repl. Vol.) and Md. Regs. Code ("COMAR") 10.34.01.12 (2000), concluding that the Respondent's actions constitute a threat to public health, safety or welfare which imperatively requires the immediate suspension of her registration.

**INVESTIGATIVE FINDINGS**

Based on information received by, and made known to the Board, and the investigatory information obtained by, received by and made known to and available to the Board, including the instances described below, the Board has reason to believe that the following facts are true:<sup>1</sup>

<sup>1</sup> The statements regarding the Respondent's conduct are intended to provide the Respondent with notice of the basis of the summary suspension. They are not intended as, and do not necessarily represent a complete description of the evidence, either documentary or testimonial, to be offered against the Respondent in connection with this matter.

1. At all times relevant hereto, the Respondent was registered to practice as a pharmacy technician in the State of Maryland. The Respondent was initially registered to practice as a pharmacy technician in Maryland on July 1, 2011, under Registration Number T09415. The Respondent's registration is current through August 31, 2014.

2. At all times relevant hereto, the Respondent was employed as a pharmacy technician at a pharmacy ("Pharmacy A")<sup>2</sup> located in Baltimore, Maryland. The Respondent was employed as a pharmacy technician at Pharmacy A from approximately January 13, 2012, until her termination on or about December 21, 2012.

3. On or about January 18, 2013, the Board received a report and a Drug Enforcement Agency (DEA) Form 106 "Report of Loss of Controlled Substances," (collectively, the "Complaint") from a Compliance Analyst of Pharmacy A, alleging that on or about December 5, 2012, the Respondent stole Suboxone<sup>3</sup> 8mg-2mg SL Film and other medications from Pharmacy A.

4. The Complaint further stated that the Respondent was immediately terminated by Pharmacy A and was also arrested by the Baltimore City Police Department for theft. Based on the Complaint, the Board initiated an investigation.

5. In furtherance of the investigation, the Board sent a *subpoena duces tecum* to Pharmacy A for all relevant documents regarding the Respondent and the theft. Pharmacy A's response to the Board's subpoena (the "Pharmacy A Documents")

included written admissions by the Respondent to Pharmacy A investigators that she had committed the theft.

6. In a written statement, the Respondent stated that over the course of several months, she stole approximately 12 boxes of Suboxone, with the last theft occurring approximately December 18, 2012. Each box contained approximately 30 units of 8mg-2mg SL Films. The Respondent explained that she sold each box for approximately \$150.

7. In addition, the Respondent also admitted that she took Naproxen, Generic Keppra, and Motrin from Pharmacy A for personal use, without paying. According to Pharmacy A Documents, the retail value of the drugs the Respondent stole was \$3491.98.

8. A Maryland Judiciary Case Search<sup>4</sup> of the Respondent revealed that on February 1, 2013, in the District Court for Baltimore City, in case number 4B02202778, the Respondent was granted probation before judgment on the charge of "THEFT: \$1,000 TO UNDER \$10,000" and placed on supervised probation for a period of one-year.

### **CONCLUSIONS OF LAW**

Based on the foregoing investigative findings, the Board concludes as a matter of law that the Respondent's actions constitute a threat to the public health, safety or welfare, which imperatively requires the immediate suspension of her registration to practice as a pharmacy technician, pursuant to Md. Code Ann., State Gov't § 10-226(c)(2) (2009 Repl.) and COMAR 10.34.01.12.
