IN THE MATTER OF  
STROHECKER'S PHARMACY, INC.  
PERMIT NO. P05423  
BEFORE THE  
MARYLAND STATE BOARD OF PHARMACY  
CASE NO. PI-16-087  

CONSENT ORDER

Background

Strohecker's Pharmacy, Inc. (the "Respondent") advised the Maryland Board of Pharmacy (the "Board") that the Respondent had been disciplined by the Oregon Board of Pharmacy as a result of violations of Oregon state law regarding the operation of a pharmacy, and specifically, the compounding of human drugs.

In lieu of instituting formal proceedings against Strohecker's Pharmacy, Inc., in accordance with the Maryland Pharmacy Act, Md. Code Ann., Health Occ. § 12-101 et seq., the Board and Strohecker's Pharmacy, Inc., have agreed to resolve this matter as set forth in this Consent Order.

FINDINGS OF FACT

1. On or about December 8, 2010, the Respondent was issued a non-resident pharmacy permit to operate in Maryland under Permit Number P05423. The Respondent's permit is active and will expire on May 31, 2018.

2. The Respondent dispenses, among other things, patient-specific sterile testosterone cypionate.

3. On or about November 12, 2015, the Respondent entered into a Consent Order with the Oregon Board of Pharmacy. The Oregon order was based on various violations of the Oregon Revised Statutes related to the compounding of
testosterone cypionate, Lot #T-1201S14.

4. Specifically, the Oregon Board found that Respondent inadvertently mixed estradiol valerate into the above compound. This resulted in misbranded testosterone cypionate, Lot #T-1201S14, being dispensed to 351 patients in 35 states.

5. One Maryland physician administered the misbranded product to a patient.

6. The Oregon Board of Pharmacy imposed against the Respondent a civil penalty of $10,000, stayed pending no further similar violations for three years and compliance with the terms of the order. The Respondent disputed the allegations.

7. On November 20, 2015, the Respondent duly notified the Board regarding the Oregon Board of Pharmacy action.

8. On February 24, 2016, the Wisconsin Pharmacy Examining Board issued a Final Decision and Order against the Respondent based on the violations found by the Oregon Board of Pharmacy.
