IN THE MATTER OF

MARC WEINBERG, P.D.

LICENSE NO. 13316

BEFORE THE MARYLAND STATE BOARD OF PHARMACY

CONSENT ORDER

Background

Based upon information received and a subsequent investigation by the State Board of Pharmacy (the “Board”), and subject to the Maryland Pharmacy Act (the “Act”), Md. Code Ann., Health Occ. §§ 12-101, et seq., (2000 Repl. Vol.), the Board issued an Order for Summary Suspension dated January 12, 2005, in which it summarily suspended the pharmacist’s license held by Marc Weinberg, P.D. (the “Respondent”). Specifically, the Board found that the public health, safety or welfare imperatively required emergency action, pursuant to Md. Code Ann., State Gov’t § 10-226(c)(2)(2004 Repl. Vol.). The Board also found that the Respondent had violated the following provisions of § 12-313:

(b) In general - Subject to the hearing provisions of § 12-315 of this subtitle, the Board, on the affirmative vote of a majority of its members then serving, may deny a license to any applicant, reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the applicant or licensee:

(20) Is professionally, physically, or mentally incompetent.

On February 8, 2005, the Board held a hearing before a quorum of the Board to allow the Respondent the opportunity to show cause why the Respondent did not pose an imminent threat to the health, safety and welfare of the public. In lieu of continued summary suspension, the parties and the Board agree to resolve the matter by way of settlement. The parties and the Board agree to the following:
FINDINGS OF FACT

1. At most times relevant hereto, the Respondent was licensed to practice pharmacy in Maryland. The Respondent was first licensed on October 28, 1993. The Respondent’s license expires on December 31, 2005.

2. In 2002, the Board discovered that the Respondent had been terminated from his employment at Walgreen’s after he had diverted Phentermine, a Schedule IV controlled dangerous substance. In lieu of disciplinary charges, on September 18, 2002, the Respondent voluntarily surrendered his license.

3. On June 12, 2003, the Respondent submitted a Petition for Reinstatement to the Board. In support of that Petition, John E. Davis, the Respondent’s therapist, sent to the Board a letter, dated October 9, 2003, stating that the Respondent had been regular in his attendance and very responsive to and involved in his therapy.

4. On October 15, 2003, the Respondent appeared before a quorum of the Board, along with his PEAC sponsor, in support of his Petition for Reinstatement.

5. By Order dated October 31, 2003, the Board reinstated the Respondent’s license to practice and placed him on probation, subject to the following condition, inter alia:

   The Respondent shall continue his PEAC contract, to include weekly random and supervised urine testing, NA meetings, and therapy.

6. The October 31, 2003, Order of Reinstatement further provided that the Board may immediately suspend the Respondent’s license prior to a hearing in the event that the Board found that the Respondent had violated any of the probationary conditions or if the Board, in good faith, found that the Respondent had relapsed.

7. By letter, dated September 24, 2004, PEAC notified the Board that the Respondent
had failed to comply with the PEAC contract or Reinstatement Order conditions. Specifically, the Respondent was out of compliance in the following ways:

A. According to the June 1 – September 1, 2004 PEAC Quarterly Report, the Respondent was scheduled for six therapy appointments, yet only attended two sessions.

B. The Respondent’s therapist rated his progress as “1” or “2” on a scale of 5, with 5 indicating “excellent progress”.

C. The Respondent missed eight (8) out of twelve (12) urine screens.

CONCLUSIONS OF LAW

Based upon the foregoing Findings of Fact, the Board finds that the Respondent violated Md. Code Ann., Health Occ. § 12-313(b)(20).

ORDERED that the Respondent may petition the Board for modification of the above probationary conditions no earlier than October 31, 2005; and be it further

ORDERED that the Respondent may petition the Board for release from probation no earlier than October 31, 2006, provided that he has been in compliance with all of the terms of probation; and be it further,
