SECOND ORDER OF MODIFICATION

The Maryland Board of Pharmacy (the “Board”) is in receipt of a petition from Michael Weisburgh, Pharmacist License No. 16582, requesting further modification of certain terms of probation set forth in the Board’s Order Lifting Suspension, dated March 25, 2014, and the Order of Modification, dated June 22, 2015. The Order Lifting Suspension placed Dr. Weisburgh’s pharmacist license on probation for a period of at least three (3) years based on substance abuse impairment. The Order allows Dr. Weisburgh to petition the Board for modification of the probationary terms after one (1) year. Dr. Weisburgh is requesting that the Board decrease the required frequency of his urine screenings, and also permit him to practice as a pharmacy manager. Upon consideration of Dr. Weisburgh’s petition and his full compliance with the probationary terms to date, the Board voted to modify the terms of probation as ordered below.

ORDER

It is this 22nd day of March, 2016, by an affirmative vote of the Maryland Board of Pharmacy, hereby,

ORDERED that probationary terms contained in the Order Lifting Suspension, dated March 25, 2014, be modified as follows:

PROBATIONARY TERM NO. 4

Dr. Weisburgh shall submit to random, Board-ordered urine screenings on a monthly basis; and be it further,

ORDERED that all other terms of the March 25, 2014 Order Lifting Suspension and Order of Modification, dated June 22, 2015, remain in full force and effect; and be it further,

ORDERED that this is a formal order of the Maryland Board of Pharmacy and as such is a public document pursuant to the Maryland Annotated Code, Gov't Provisions Article, Section 4-333.
