RE: Live Student and Healthcare Professional Webinars Hosted by FDA’s Division of Drug Information

The National Association of Boards of Pharmacy (NABP) is pleased to announce that the Food and Drug Administration (FDA) Center for Drug Evaluation and Research is presenting a series of educational webinars targeted toward students and health care professionals who wish to learn more about FDA and drug regulation. The webinars are presented by FDA staff and will allow participants to interact with staff in a question-and-answer (Q&A) format.

The next webinar of 2015:

FDA Online Drug Information Resources for Students and Clinicians

Date: Tuesday, September 29, 2015
Time: 1 PM EST | 10 AM PST
Duration: 30 minutes | Live Q&A Session: 10-15 minutes

This webinar will review information regarding FDA databases that are of interest to students and practicing clinicians who will learn how to navigate and utilize these databases to find useful, relevant, and current drug information.

We encourage you to forward this information to your staff and to health care professionals in your state.
