

# Adventist HealthCare Takoma Park Hospital for Recovering COVID-19 Patients

The state of Maryland and Adventist HealthCare have partnered to offer a specialized hospital in Takoma Park, Maryland, to help recovering COVID-19 patients further regain health.

At Adventist HealthCare Takoma Park, you will benefit from continuing medical care and on-site access to a comprehensive physical rehabilitation team. Our Takoma Park team of doctors and nurses will focus on caring for your individual recovery needs and expertly assist you in getting back home.

Patients recovering from COVID-19 at Adventist HealthCare Takoma Park benefit from:

- ✓ High-quality medical care provided by skilled doctors and nurses
- ✓ Daily visits from a physician and therapy from an on-site rehabilitation team of physical, speech, and occupational therapists experienced in treating recovering COVID-19 patients
- ✓ A safe environment that exceeds Centers for Disease Control and Prevention (CDC) guidelines

## Questions?

Please speak with your case manager about the next steps for your recovery.
