Youth camps are required to obtain a background clearance response from Child Protective Services to determine if an individual may be employed at camp. In May 2017, Maryland Department of Human Resources, DHR, (the agency has since been renamed Maryland Department of Human Services, DHS) created an online portal to facilitate the submission and processing of Child Protective Services (CPS) Background Clearance Requests for youth camps. DHS and Maryland Department of Health (MDH) are requiring that all CPS background clearances are completed through this online portal.

PERSONNEL ADMINISTRATORS (PA) PROCESS

The Certification for Youth Camps regulations, COMAR 10.16.06.21, require a youth camp operator to ensure that the Maryland Department of Health (MDH) has a background clearance from Child Protective Services (CPS) on file for the camp's Personnel Administrator (PA).

Each camp Personnel Administrator needs to create an account in myDHR/myMDThink.
