CAMP OPERATOR			
If your youth camp facility has an on-site water supply and/or sewage disposal system, annual approval from the local environmental health department is required. Complete the information in this section and forward the form, 90 days before the camp operates, to the appropriate local environmental health department on page 2.			
If your camp operates at a school (public or private) or a government owned building or park that is used by the public more than 170 days per year, use the Building Safety form, instead of this form.
