Pursuant to Md. Code Ann. Health General § 24–209, at the request of a customer during normal business hours , and where a public restroom is not readily available, each retail establishment that has a toilet facility for its employees shall allow the customer to use the facility IF:

- (a) 3 or more employees of the retail establishment are working when the customer requests use of the toilet facility; and
- (b) The customer suffers from an eligible medical condition that is documented with this card signed by the customer's health care provider.
