

Quick Reference Guide COVID-19/Other Adult Vaccine Order Status

Check Status of COVID-19/Other Adult Vaccine Order

For providers eligible to receive COVID-19 or other vaccines for Adults under the Section 317 Immunization Program:

To check the status of your COVID-19/Other Adult vaccine order, please follow the steps below:

1. If you are a Non-VFC provider, please click on the 'Non-VFC Ordering' in the center of the screen. For VFC providers, please click on 'VFC Inventory/Orders'.

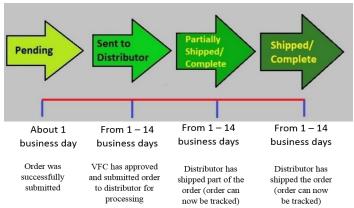

Non-VFC Ordering

VFC Inventory / Orders

2. Scroll to the bottom section of the screen under 'Current Reports'. The first line item listed is the most current order submitted. The column 'Order Status' indicates the most recent order status.

Current Reports			
Report ID	User	Submit Date	Order Status
.10202000	Vax Inv Order User	09/23/2024	Pending

3. Normal VFC vaccine order process takes about 14 business days. This timeframe may be different for COVID-19 and other adult vaccines, but below is the general process. You can check the 'Current Reports' screen every few days to view your order status.

4. When **Order Status** says, **'Partially Shipped/Complete'** or **'Shipped/Complete'**, you may track the vaccine shipment(s). Click on the blue link under **Order Status** to view the order's delivery information and to track the vaccine shipment.

5. Delivery carrier and tracking number information will be displayed for each vaccine that will be shipped. Go to the respective delivery carrier's website and enter the tracking number to track that shipment.
